Introduction

Bach Viet Technology & Manufacture JSC.

- Established on **Oct 25th, 2007**.
- Our main business:
 - + Industrial equipment & products for the **Oil&Gas**;
 - + Smart Solutions and Professional Service *focused on Grundfos pumps (centrifugal pumps, dosing pumps & pump systems)*.
- With Grundfos, we have Technical sales and service team supporting pre- and after-sales issues: Consulting, surveying factories, installation, acceptance testing, warranty, and maintenance.

“Easy to do business happily together”

= Collaboration in our organization

+ Collaboration with valued customers and partners.

BACH VIET always appreciates every opportunity for cooperation and is committed to bringing to our valued customers:

Satisfaction – Trust – Sustainable cooperation!

Introduction

We provide the following products & services:

- Pumps
(Centrifugal pumps, Vacuum pumps, Screw pumps ...)
 - Bearing SKF & RecondOil Box
 - Air compressor
 - Heat transfer, Heat and control
 - Chemical
 - Drilling equipment
 - Refrigeration equipment
 - Cable & Wire
 - Hand tools & Electric materials
 - Acid tank
 - Anchor chain
 - Instruments & valves
 - Galley Equipments
